YOUR CHILD MAY BE ELIGIBLE FOR **FREE** OR REDUCED-PRICE **SCHOOL MEALS** IN THE NEXT SCHOOL YEAR!

Apply Today to Find Out.

Applications will be required for 2022-2023 school year to qualify for free meals. Ensuring your child eats right during school is easier than you think. Free and reduced price school meals like breakfast, lunch, and snacks are available to students that qualify! But unlike in prior years, in 2022-2023 school year, YOU MUST APPLY.

Not sure of your child's eligibility?

It's easy to find out, and risk free. Income eligibility guidelines are available online and are based on your household size and income level. Families around the country have felt the impact in financial security due to the unprecedented disruption caused by the COVID-19 global pandemic. Be sure to apply for the financial support that your family may be eligible to receive.

We want to help ensure that once your children return for the 2022-2023 school year, they are eating throughout the school day. You may apply for the following benefits:

- **Free or Reduced-Price Meals:** Visit www.fns.usda.gov/school-meals/income-eligibility-guidelines for details. Information collected in the application is confidential and will be used only for evaluating the eligibility of students for free or reduced-price school meals.

End-of-Year Medication Pick-up and Vaccination Note

Hello parents! It's almost SUMMER! Please note:

If your student has had any medication at school this year, we need you to pick it up from the front office on or before the last day of school (*June 10th*). After that, it will be available at Glen Hills School's front office (2600 W. Mill Rd.) until ***Friday, June 17th***. After that date, your student's medication will be disposed of. If your student is attending Summer Academy, their medication will be transferred to and kept at Glen Hills for them to take as indicated throughout Summer Academy.

Also, a letter will be coming home with students in certain grades and emailed to those families regarding grade-specific vaccination requirements. Please take a look at this and plan accordingly with your physician.

Thank you so much! Please feel free to reach out if you need anything at all!

2022-23 Student Transportation
IMPORTANT – INTENT TO RIDE FORM
Glen Hills Middle School

PLEASE RESPOND IMMEDIATELY

Under Section 121.54(2), Wisconsin Statutes, the Glendale-River Hills School District, just like every other public school district in the State of Wisconsin, is required to provide transportation to students who meet certain eligibility requirements. As a result, bus routes are created using a list of all eligible students in the District to ensure this requirement is met. However, there are a large number of students who do not ride the bus each year for various reasons leading to some routes operating below capacity. In order to improve efficiencies in the District, we are looking for information from families on their intent to ride for the upcoming school year.

Please note that indicating “no” in the section below will not prevent you from obtaining transportation at any point in the year. As stated above, the District is required to provide transportation to any student who is eligible and this process is only intended to streamline routes for families that know they will not be using district provided transportation. Thank you for your assistance!

THE DISTRICT DOES NOT TRANSPORT OUTSIDE OF GLENDALE. OPEN ENROLLMENT AND TUITION WAIVER
STUDENTS ARE NOT ELIGIBLE FOR TRANSPORTATION.

Please complete one form for each student and return on or before June 3, 2022.

That is how much we raised from the Fun Run/Walk as a district. Unbelievable! What an amazing community we have.

All of the money raised will go towards supporting the district's initiative of equity and inclusion by purchasing All Inclusive Transportation for the district.

YOUTH SOFTBALL LEAGUE

Our two co-ed youth leagues cover boys and girls from 1st through 4th grade. Beginners at all age levels have learned the sport quickly, gained personal confidence, and made meaningful contributions to their teams! Experienced multi-sport athletes playing spring soccer, lacrosse, fast pitch softball and even Little League have participated in two sports because of our league's low time commitment of only 1-3 hours per week, its affordability, and team roster sizes that allow for occasional conflicts.

Players are assigned to teams randomly, but we honor and encourage requests to be paired with other friends to help with car-pooling and to make it a comfortable and enjoyable experience for the kids. Teams are run by volunteer parents with a passion for teaching the game to young people. There are no rules with regard to how many boys or girls are on each team's roster or in the field of play at any given time, but efforts are made to maintain competitive integrity. Managers ensure that all players receive an ample amount of playing time regardless of ability. Games are umpired by adult recreation staff, and the season will conclude by July 31st. We will be offering two leagues, Parent Pitch (1st-2nd grade) as well as a Junior League (3rd-4th grade). The Parent Pitch league will use a "squishy" softball and have parents/coaches pitch, while the Jr League will use a 10" softball and have players pitch. In the Junior League scores and league standings are kept. Games will be played on Monday and Wednesday evenings. Depending on registration numbers, if necessary, the two leagues may be combined into a single 1st-4th grade league. In this event, rules may be adapted to fit all ages appropriately.

Please email the Program Director at caleb.franklin@nicolet.us if you have any questions.
