It is expected that food and beverages will be consumed by students in a responsible manner at all times. Classroom teachers may identify other ways to celebrate student birthdays, such as a special activity or sign. **Student food deliveries of any kind are not permitted on campus, both during school hours and after school hours. This includes pizza delivery, Uber Eats, etc.** If a student forgets a lunch the school will provide one.

CELL PHONES & TWO-WAY COMMUNICATION DEVICES

Students bring their devices to school at their own risk. Glen Hills will not be responsible for any damages to the device or if a device is lost. Cell phones should not be seen or heard during the school day. Students are encouraged to secure powered off cell phones in their student lockers. It's a day to think about the nature around us and appreciate it. As humans, we have impacted our environment a lot not always in a positive way, so this can be a day to make positive improvements to the nature of our community.

Celebrate Earth Day!

You can celebrate Earth Day by...

- Walk or bike instead of using cars
- Plant trees or flowers
- Make earthy crafts with recycled materials
- Hike or do other outdoor activities
- Pick up litter you see
- Plan your garden
- Visit your local park

Glen Hills Green Team wishes you a Happy Earth Day ~ Thank you for helping keep our planet healthy for many generations to come!

Parkway / Glen Hills PTO

What can you do to support our students & staff?

We Need YOU!

The past two years has been hard on us all. With kids at home, who had time and energy to volunteer? But now that things are returning to normal, the PTO and Foundation need people to step up and take on leadership positions – or risk dissolving altogether. If these organizations, and all that they give to our schools, mean something to you, please join us via Zoom on April 25th at 7:30 to help plan the future of our school community.

Feed your Family, Fill the Classroom

Our first eat-out at Lou Malnati's was a great success. We received \$200 dollars for the Teacher Application week budget (they deserve all the application we can give them). Please join us for our next night at **Noodles and Company on April 27th**. No cooking, and you're supporting the school: That's a WIN WIN!

Teacher Appreciation Week

Teacher Appreciation week is May 2nd through 6th. There will be lots of ways for thank to your child's teacher. Please watch the Thursday Folders for more information.

Parkway/Glen Hills Fun Run

Students from both schools will have the opportunity to raise money for their school and have a lot of fun. The run will be during school, so all students can participate. Students, classes, and grades that raise the most money will be given awesome prizes.

Glen Hills Family Activity Night for Current and Incoming Students

Thursday, May 19th, Glen Hills will be opening its doors to all its current students, as well as the 3rd graders from Parkway to explore all the amazing opportunities available at Glen Hills.

In the works

We have a lot of projects going on right now. Keep your eyes peeled for the following opportunities:

- School Supply Pack Sale
- 3rd and 8th grade sendoffs

volunteer

PLEASE JOIN US ON ZOOM

April 25th at 7:30 p.m.

Our Schools Need YOU!

Without a new crop of dedicated volunteer leaders, the Parent Teacher Organization and the Glendale River Hills Foundation will collapse next year. Please join us to help us build organizations that are sustainable in 2022 and beyond.

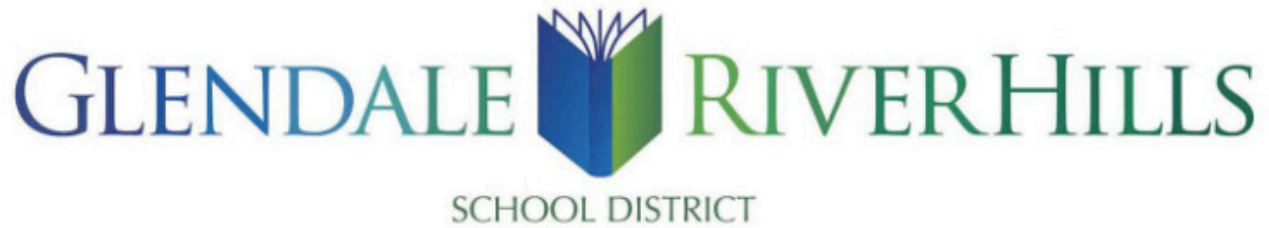

What would we lose if the PTO or Foundation went away?

Glen Hills Middle School TRACK 2022

The Boys and Girls Track season will begin on April 11, 2022

Glen Hills participates in the North Shore Conference and teams consist of 7th and 8th grade teams (boys and girls). If your child is in a younger grade they may participate at the 7th grade level only if they have participated in cross country earlier this year.

Our meets consist of the following events.

- 100m Hurdles
- 100m Dash
- 200m Dash
- 400m Run
- 800m Run
- 1600m Run
- 4X100m Relay and 4X200m Relay
- Long Jump, Shot Put and High Jump

Only three athletes are allowed to participate per event. The coaches will attempt to involve all students in every meet. Coaches will select the events for the athletes.

Practices run from 4:00 - 5:00 PM. Please pick your child up at the north door on the back side of the school by 5:15 PM.

There are no buses available to transport athletes to the track meets. If you are able to carpool athletes please check the box and provide your email address.

Please provide proper shoes for your child. You may choose to purchase running shoes but cross trainers are fine at this level. Basketball or casual tennis shoes will hinder your child's performance and do not have the proper support for running.

Please encourage your children to run on off days. Practice 2-3 times a week will not be enough to keep them in shape.

Distance Runners:

Run 20-30 minutes one day and run build-up sprints the next off day. Stretch and warm up before and after workout.

Sprinters:

Run build-up sprint workout similar to practices. Warm-up and stretch before and after workout.

Sign up form, track meet dates and student athletic agreement forms are on the website at:
<https://glenhills.glendale.k12.wi.us/athletics-activities/track>

YOUTH SOFTBALL LEAGUE

Our two co-ed youth leagues cover boys and girls from 1st through 4th grade. Beginners at all age levels have learned the sport quickly, gained personal confidence, and made meaningful contributions to their teams! Experienced multi-sport athletes playing spring soccer, lacrosse, fast pitch softball and even Little League have participated in two sports because of our league's low time commitment of only 1-3 hours per week, its affordability, and team roster sizes that allow for occasional conflicts.

Players are assigned to teams randomly, but we honor and encourage requests to be paired with other friends to help with car-pooling and to make it a comfortable and enjoyable experience for the kids. Teams are run by volunteer parents with a passion for teaching the game to young people. There are no rules with regard to how many boys or girls are on each team's roster or in the field of play at any given time, but efforts are made to maintain competitive integrity. Managers ensure that all players receive an ample amount of playing time regardless of ability. Games are umpired by adult recreation staff, and the season will conclude by July 31st. We will be offering two leagues, Parent Pitch (1st-2nd grade) as well as a Junior League (3rd-4th grade). The Parent Pitch league will use a "squishy" softball and have parents/coaches pitch, while the Jr League will use a 10" softball and have players pitch. In the Junior League scores and league standings are kept. Games will be played on Monday and Wednesday evenings. Depending on registration numbers, if necessary, the two leagues may be combined into a single 1st-4th grade league. In this event, rules may be adapted to fit all ages appropriately.

Please email the Program Director at caleb.franklin@nicolet.us if you have any questions.
TEAMS WILL BE FORMED BY May 1st, practices will begin May 9th, and games will begin June 1st.

Camp HOPE is a weekend camp where children are brought together to work through the grieving process after a loved one dies. Fun is top priority and the kids learn that it's okay to laugh and play - and that doing so is not disrespectful to the memory of the person who died. Through the weekend of fun, sharing their pain and supporting each other, the children are shown that their emotions are a normal part of grief, they are not alone, and at Camp HOPE, their pain is understood.
