In January & February the Glen Hills Library will be showcasing the Wisconsin Golden Archer nominated books. The Golden Archer Award began in 1974 and is Wisconsin's student choice

book award. Students across the state can cast their vote for their favorite. The awards are given in four age level categories - Primary, Intermediate, Middle and Senior.

At Glen Hills, students can check out and enjoy each of the five nominees in the Intermediate, Middle or Senior Categories and then vote for their favorite. It's exciting to know that we can help decide which of the five books will wear the Golden Archer award sticker!
