Chess Club Covid Safety Protocols

Masks

Masks are required for all students participating in the chess club. There will be designated “mask break” areas for students that need to take their masks off for a period of time.

Personal Hygiene and Handwashing

Students are encouraged to follow proper hand washing procedures using soap and water or hand sanitizers that will be available throughout the building.

Physical Distancing

Students are expected to follow social distance protocols in all areas of the school building, when possible. The spacing for chess games will be a minimum of three feet. Frequent reminders will be used to reinforce this expectation.

Cleaning and Disinfecting

All chess game boards and pieces used will be sanitized before and after each use.

Water Fountains and Restrooms

Water fountain usage is limited. Students will have access to the bottle filler; the spouts are locked and unavailable for use. Students are encouraged to bring their own water bottle. Please make sure the students' names are clearly labeled on their water bottles.
